

## Online FAQ form

**1) Why do young adults arrive to ECHO first and sixth former's later?**

Young adults first take time diving into community, getting to know each other, unpacking the teachings of St. John Paul II's Theology of the Body together, and relating it to their lives prior to arrival. It's a time for them to simply receive together. On Monday when the teens arrive, young adults then begin to give away what they have received by serving on various teams throughout the rest of the retreat. It's an amazing experience where they learn more deeply that we find ourselves in making a sincere gift of ourselves!

**2) How old do you have to be to attend the young adult part of the camp?**

To attend as a young adult, you must have finished sixth form/ college equivalent.

**3) How old do you have to be to attend the Sixth Former part of the camp?**

This camp is open to teenagers who will be entering year 12 or equivalent in September 2017.

**4) If I am a young adult, can I just come for the weekend?**

While we certainly encourage you to stay the whole time, we know that previous commitments like work, study, and family are very important. Therefore, we do allow young adults to attend only the young adult portion Friday through Sunday night. However, we are unable to offer a discount for only attending the weekend.
