## 5 Opportunities to serve

At ECHO, Young Adults have the opportunity to serve on either the Hospitality Team, Mentor Team, or Prayer Team.

Mentors lead a small group during the retreat and help the sixth formers unpack and process what they are learning and their overall retreat experience.

Hospitality endeavours to create the atmosphere that is key to ECHO. We want to make spaces and environments that are welcoming, fun and help people to engage with the retreat. They are vital in their service to the success of the retreat. They need to be able to work well on a team, receive direction, and have a gift for welcoming and service.

Prayer team is the backbone of prayer for the entire retreat. We can do nothing without God, and this team takes up the responsibility of helping us to maintain the power and protection of prayer during the retreat. They spend time interceding for the sixth formers and young adults throughout each day, they take individual prayer requests as well as praying for each session of camp.

Please select which is your 1st preference, and which would be your 2nd preference in the table below.

We cannot guarantee that you will get your first choice, but will take all applications to prayer to help ensure you end up on the service team when you will best placed.
